

Following JESUS through THE FOUR GOSPELS

BIBLE READING PLAN 2022

Following Jesus through the Four Gospels

Matthew, Mark, Luke and John are eyewitness accounts of Jesus of Nazareth. Together, they provide us with a 360° view of His teachings, life, death and resurrection, for us to know, love and follow Him as disciples of Christ.

This Bible reading plan takes us through the four Gospels, and is supplemented with Old Testament readings that tell us more about the Messiah figure, fulfilled by Jesus Christ.

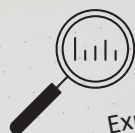

There will also be special readings for Lent-Easter, Pentecost, and Advent-Christmas, as well as a special focus on Jesus' teachings on the Kingdom of God.

"The best way to interact with Christ is to keep company with Him in the Gospels. It is nearly impossible to know Christ apart from the Gospels."

Trevor Hudson

"Gospel study enables us both to keep our Lord in clear view and to hold before our minds the relational frame of discipleship to him."

J.I. Packer
