## EQUIP LEVEL 1

Get started on your journey in DUMC by completing Level 1, an introduction to the foundations of a Christian life. Here, we walk you through basic doctrines, an introduction to DUMC, a weekend encounter with God, and start you off the spiritual habits of reading the Bible, prayer and evangelism.

Equip Level 1 is suitable for anyone interested in developing Christian foundations and those intending to be baptised or received into membership of DUMC.

Equip Level 1 can be completed in one year. Upon successful completion you will receive the **Equip Level 1 Christian Foundations Certificate**.

GRADUATION

Complete all requirements in this Progress Log and submit it to the Information Counter (weekends) or the church office (weekdays). You will be eligible to receive the Equip Level 1 Certificate once your submission has been approved.

After completion of Level 1, move on to Level 2 and Level 3 to equip you in establishing regular rhythms of Christian living.

COURSES

Our courses are listed here by their codes, while actual course titles may change as fitting (e.g. course code being Bible 101 and course title being Understanding the Bible).
